## Department of Bachelor of Computer Applications

### Kalpna Science Club

#### Special Lecture on C Programming

**Date: 23-12-2022**

**Time: 11.00 am to 12.00 pm**

**Venue: Bahumukhi Sabhangana, KAPMC,**

**Resource Person: Mr. Mangesh S. Pai**, Assistant Professor, DVS College of Arts & Science, Shivamogga

The Department of Bachelor of Computer Applications, in association with the Kalpna Science Club, organized a Special Lecture on **C Programming** for the benefit of BCA students.

The session was delivered by **Mr. Mangesh S. Pai**, Assistant Professor, DVS College of Arts & Science. The programme aimed to strengthen students' foundational knowledge of programming concepts and enhance their practical coding skills.

During the lecture, the resource person explained the fundamentals of C programming, including data types, operators, control structures, functions, and arrays. He also highlighted the importance of logical thinking and problem-solving skills in programming. Real-time examples and practical demonstrations helped students better understand the core concepts.

The session was highly interactive, with students actively participating in discussions and clarifying their doubts. The resource person also guided students on career opportunities in software development and the importance of mastering programming languages.

The programme witnessed enthusiastic participation from BCA students and faculty members. The session concluded with a vote of thanks, expressing gratitude to the resource person for his insightful and informative lecture.
