Kalpana Science Club

Special Lecture on Fundamentals of Computer

Date: 23-01-2023

Time: 11.00 am to 12.00 pm

Venue: Bahumukhi Sabhangana, KAPMC,

Resource Person: Ms. Nikhita S, Assistant Professor, DVS College of Arts & Science, Shimoga

The Department of Computer Applications organized a **Special Lecture on Fundamentals of Computer** on 23rd January 2023, featuring **Ms. Nikhita S.**, Assistant Professor from DVS College of Arts & Science, Shimoga, as the resource person. The session attracted 85 students from BCA and BCom programs along with faculty members.

Ms. Nikhita S. delivered an engaging lecture covering **essential computer fundamentals** including hardware components, software classification, operating systems, binary systems, and basic networking concepts. Her practical approach and real-world examples made complex topics accessible to first-year students. The session included interactive demonstrations of CPU operations, memory hierarchy, and input-output devices, which received excellent appreciation.

Students actively participated in the Q&A session, seeking clarifications on computer architecture and troubleshooting basics. The resource person's ability to connect theoretical concepts with everyday computing applications was particularly praised. Faculty members noted the lecture's alignment with the semester syllabus and its value in building foundational understanding.

The program concluded with a formal vote of thanks by the HOD, acknowledging Ms. Nikhita S.'s valuable contribution. The lecture successfully enhanced students' fundamental computer knowledge and sparked interest in core computing concepts. The department plans to organize similar expert sessions regularly.
