A "Pick and Speech" activity was organized by the Avinya Forum on 26/07/2025 from 12:00 pm to 2:00 pm for B.Com students in the classroom at KAPM, Shivamogga. The objective was to help students explore knowledge, improve communication skills, and build stage confidence. In the activity, students randomly picked topics and spoke on them for 2-3 minutes without prior preparation. Topics covered current affairs, general knowledge, social issues, and personal interests. This encouraged quick thinking, clarity of expression, and spontaneous speaking. Faculty members guided students and gave feedback on delivery, content, and body language. The 2-hour session was interactive and energetic, with active participation from students. Overall, the activity successfully enhanced students' speaking abilities and self-confidence while making learning engaging and fun.
