Plant.Com

Date:13-09-2025

Time:12.00 PM to 2.00PM

Venue :Class room at KAPMC , SHIVAMOGGA

Resource Person: Sandhya Kaveri K, Principal KAPMI, SHIVAMOGGA

PLANT.COM, a plant awareness and plantation program, was organized by commerce department students on 13/09/2025 from 12:00 pm to 2:00 pm in the classroom and college campus at KAPMC, Shivamogga. B.Com, BA, B.Sc., and BBW students actively participated in the event aimed at promoting environmental responsibility and knowledge about medicinal plants. The program began with an informative session in the classroom where students explained the different properties of various plants and their medicinal benefits. They highlighted how plants contribute to health, immunity, and sustainable living. Traditional and modern uses of herbs and medicinal plants were discussed with examples. Following the session, students carried out a plantation drive in Rajani Vana, the college campus garden. Saplings were planted with care and students took pledges to nurture and protect them. Faculty members appreciated the initiative and spoke about the importance of greenery and conservation. The 2-hour program successfully combined learning with action. It created awareness about biodiversity, environmental protection, and the value of medicinal plants while instilling a sense of responsibility among students toward nature.
