The Department of English has organised a Literary Club programme on **23 January** with the objective of encouraging literary appreciation, creativity, and effective communication among students. The one-day programme featured various activities, including **Pick and Speak** and **Debate Competitions**, providing students with opportunities to express their ideas and enhance their public speaking skills.

A special attraction of the programme was the poster presentation titled **"Inkspire"**, which highlighted the life and works of the renowned Romantic Poet **William Wordsworth**. The presentation focused on his significant contributions to English literature and his enduring influence on poetry and creative expression. Through informative displays and creative visuals, students gained a deeper understanding of Wordsworth's literary achievements and his celebration of nature, imagination, and human emotions.

The programme successfully promoted literary awareness, creativity, self-expression, and critical thinking among students. The activities encouraged active participation and fostered a greater appreciation of literature and communication skills. Overall, the Literary Club programme served as an inspiring platform for intellectual and creative engagement.
