Venue: KAPMC Memorial College

The Department of English, in association with the Literary Club, organized a literary activity programme on 6 February 2026 for the benefit of students. The event aimed to encourage literary appreciation, critical thinking, and active participation in club activities.

As part of the programme, a book review session was conducted on *The Silence You Left Behind* by Sumitra Nanda. Students presented their observations on the book, discussing its themes, characters, and narrative style. The review session provided an opportunity for participants to enhance their analytical and communication skills while developing a deeper appreciation for literature.

The programme also included an orientation on the Wall Magazine, where students were informed about its objectives, structure, and significance. The session encouraged students to contribute creative and critical writings, thereby promoting literary expression and collaborative learning.

The event witnessed enthusiastic participation from students and faculty members. The activities created a vibrant academic atmosphere and helped strengthen students' interest in reading, reviewing, and creative writing.
