The programme aimed to enhance students' literary understanding, critical thinking, and participation in creative learning activities.

As part of the programme, a review session was conducted on the drama Media. Students discussed the major themes, characters, and dramatic techniques employed in the work. The review encouraged participants to analyze the text critically and share their interpretations with fellow students.

The programme also included an information-sharing session and a variety of literary activities designed to improve communication, teamwork, and analytical skills. A literary game was conducted to make learning more interactive and engaging. Students actively participated in the activities and demonstrated enthusiasm throughout the programme.

The event provided a platform for students to strengthen their literary knowledge while developing confidence in discussion and presentation. The programme was organized and conducted by the BA English Literature students under the guidance of the department faculty.
