Time: 10.00 am to 12.00 pm

Venue: KAPMC Memorial College

The Department of English, in association with the Literary Club, organized a film screening and literary activity programme on 27 February 2026 for the students of BA English Literature. The programme was designed to encourage critical thinking, collaborative learning, and creative engagement through cinema and discussion.

As part of the programme, the film *Social Life*, directed by Khalid Rahman, was screened for the students. Following the screening, an interactive discussion was conducted to analyze the themes, characters, and social issues presented in the film. Students actively shared their perspectives and interpretations, making the session engaging and thought-provoking.

To further enhance participation, the Literary Club members were divided into three groups and assigned the task of enacting selected scenes from the film. The activity encouraged teamwork, creativity, and a deeper understanding of the narrative. Through role-play and performance, students explored the emotions, conflicts, and messages conveyed in the story.

The programme was organized and conducted by the BA English Literature students under the guidance of the department faculty. The event witnessed enthusiastic participation and provided an enjoyable platform for learning through film and performance.
