Film Screening and Interactive Activity

Date: 27-03-2026

Time: 10.00 am to 12.00 pm

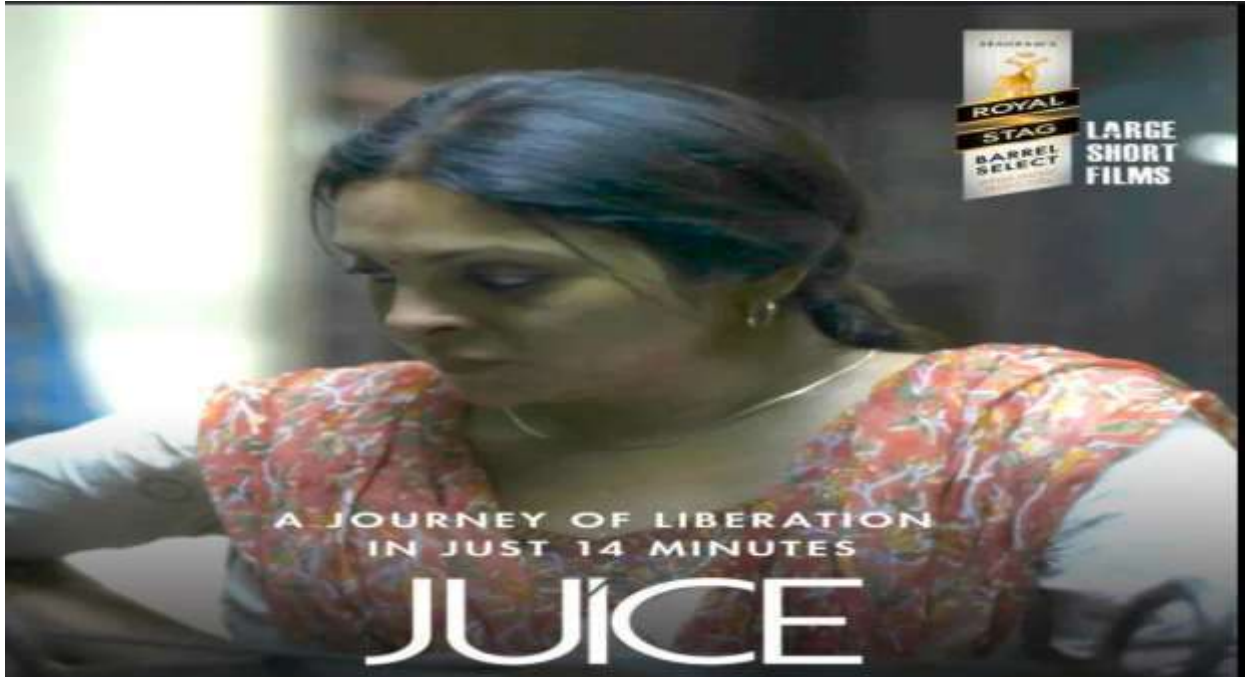

Venue: Room No. 006, KAPMC Memorial College

The Department of English, in association with the Literary Club, organized a club activity on 27 March 2026 for the students of BA English Literature. The programme aimed to promote critical thinking and social awareness through cinema and interactive learning activities.

As part of the programme, the film Juice, directed by Neeraj Ghaywan, was screened for the students. The film addresses important social issues such as patriarchy, gender discrimination, and the challenges faced by women in society. Through its realistic portrayal of everyday experiences, the film encouraged students to reflect on gender roles and social inequalities.

Following the screening, an interactive discussion was conducted in which students shared their views on the themes presented in the film. The discussion enabled participants to analyze the social message of the film and connect it with contemporary realities. To make the programme more engaging, a game-based activity was organized in Room No. 006. Students actively participated in the activity, which promoted teamwork, communication, and critical thinking skills.

The programme witnessed enthusiastic participation from students and successfully combined entertainment, learning, and social awareness.
