

Department of Chemistry

SPHATIKA Club

Inauguration of Sphatika Chemistry club

Date:25-09-2025

Time:11.00 PM to 1.00PM

Venue : Bahumukhi auditorium KAPMC,SHIVAMOGGA

Resource Person: Dr.Sandhya Kaveri.K

The **Sphatika Club** organized an enriching activity aimed at promoting knowledge, personality development, and holistic learning among students. The session focused on encouraging active participation, creativity, and confidence through interactive discussions and learning experiences. Students enthusiastically took part in the program and benefited from the valuable guidance provided.

These Programs provide an excellent platform for students to enhance their knowledge, develop communication skills, and build self-confidence. Learning extends beyond the classroom, and club activities play a vital role in shaping responsible, creative, and socially aware individuals.

It encourages every student to participate actively, remain curious, and make the best use of every opportunity to learn and grow. I appreciate the efforts of the organizers, faculty members, and students for making this activity meaningful and success.
