AN INDUSTRIAL VISIT TO CFTRI, MYSORE

Date:23/02/2026

Time:11.00 PM to 1.00PM

Venue : Council of Food and Technological Research institute Mysore

Resource Person: Dr. Giridhar Senior Scientist at CFTRI Mysore.

Work carried out during industrial training at CSIR–Central Food Technological Research Institute (CFTRI), Mysore. The training focused on food processing technologies and product development, with special emphasis on ingredient selection and formulation studies. The program provided practical exposure to research methodologies, laboratory practices, quality assurance procedures, and product evaluation techniques. The training enhanced the understanding of food science principles and their industrial application.
